Dear Zoe,

Re: Recent Ofsted outcome – Good

I am writing to formally congratulate you, your Governors, staff and your children on the recent Ofsted inspection and the positive feedback you have received.

On behalf of Lincolnshire County Council, I would like to express our appreciation for the work that has gone into improving outcomes for children and young people in your setting. We recognise that this is the culmination of a great deal of hard work, commitment and endeavour by all stakeholders within your school.

We know you will be proud of this achievement and the positive difference you are making to the children and families within your community and indeed to their life chances.

Your Education Locality Lead, Michelle Waddell, would also like to add; "I am delighted to be able to add my thanks and congratulations to you and your team. Everyone at Swinderby All Saints has worked hard to bring about the necessary improvements required as your Ofsted report reflects. I look forward to working with you all again this year on your continued school improvement journey and I wish everyone at Swinderby All Saints every success."

Please convey our congratulations to all involved and we look forward to seeing you soon.

Yours sincerely,

M. Smith
