Dear Parents and Guardians,

As we approach the end of the academic year – I can't quite believe we're coming to that point again – we're looking at planning for our whole school sports day. This year Sports day will be held on either **Monday 12 July (afternoon)** or **Friday 16 July (afternoon)**, weather dependent. This is a change to our original published date. We apologise for the change but we're conscious that there might be a change to the 21 June restriction easing and we want to try our best to hold sports day.

This is always an exciting event in the school calendar and this year we're going to try and invite parents to watch, I know for a lot of you this will be the final primary sports day for your children so to be able to share this with them will be important. However, this very much depends of the current COVID climate and Boris Johnson's announcement on the 14 June.

We currently have 3 scenarios:

1. Whole School sports day will be held behind closed doors and no parents/guardians will be able to attend
2. Bubble sports day – the afternoon will be staggered and each bubble will take it's turn to participate and parents with children in those bubbles can attend (if you have children in different bubbles you can attend each one).
3. All parents to attend but will be sat in bubbles as much as possible.

Ideally, we'd like to be able to offer either scenario 2 or 3 but at the moment we're unable to confirm. Further information will be provided nearer the time. Be assured we will try to hold sports day for all to enjoy.

Thank you for your continued support.

Kind regards,
Zoe Longstaff
