All stakeholders will recognise that there is a broad range of items which if, brought into a school setting or, in the possession of a young person, could compromise the health and safety of the individual pupil, other members of the school community, including students, staff or visitors to the school. The Governing Body of Swinderby All Saints Primary School has a duty under section 175 of the Education Act 2002 requiring them to make arrangements to ensure that their functions are carried out with a view to safeguarding and promoting the welfare of children.

This includes classroom arrangements for maintaining a safe learning environment and for monitoring and checking items. All dangerous chemicals and equipment held in school will be stored in accordance with the COSHH guidelines including those for educational purpose and for the routine maintenance and cleaning of the school premises.

Consequences

Swinderby All Saints Primary School understands that students can make poor choices and that these choices may from time to time breach the standards of expected behaviour at our school, or a pupil may foolishly or unwittingly bring into school an inappropriate or prohibited item.

When considering the consequences of such an event, the Headteacher or designated member of staff will thoroughly investigate the circumstances and if necessary the Head will exclude the pupil for a fixed term period whilst this process is underway.

When reviewing the appropriate response, the Headteacher will have regard to any likely consequences following from any breach including safeguarding the student involved and the impact on students, members of staff and the wider school community. In their deliberations the Headteacher will review:

- Motivation and intention
- The specific item
- Student's awareness of the health and safety implications of the item in their possession
- The student's own statement
- Any threats or intimidation made referring to or using the item
- Any mitigating circumstance e.g. victim of bullying frequency / repeated breaches / manipulation / duress of the student by others
- Vulnerability of the pupil
- Any SEND the pupil may experience

Responding to an Incident Involving Prohibited or Unauthorised Items

All screening, searching or confiscation will be carried out by designated staff representative of Swinderby All Saints Primary School and in accordance with the DfE Searching, Screening and Confiscations Advice 2018.

The item will be confiscated and locked securely in the school office.

A photograph/photocopy of the confiscated item including a scale to illustrate the size will be taken. The pupil will be given the opportunity to make a statement concerning their reasons for having this item in school.

Parents will be contacted by telephone.

If necessary, a fixed term exclusion will be considered to give opportunity for the incident to be investigated by the Headteacher or a senior member of the school team including taking witness statements from other pupils and staff members.

The Headteacher will consider whether appropriate to inform the Police - for all incidents which involve the possession of a weapon the police will be informed.

In the event that the item has been used to intimidate, threaten or harm others, the police will be informed.

Safeguarding Response to Incident Involving Banned Items

The Headteacher will always consider their safeguarding responsibilities arising from the discovery of a banned item and will make referrals as appropriate.

If the incident is in relation to drugs, the Headteacher will refer to the school's drugs policy.

If the item confiscated constitutes a safeguarding concern, e.g. possession of pornographic material this must be reported in accordance with the school's own safeguarding arrangements.

If the item confiscated constitutes racist or extremist material, schools will make a referral / reporting to appropriate agencies and establish internal interventions and support to address these concerns.

If the item confiscated was held for the purpose of self-harm, the school will make referrals to appropriate support agencies and consider making a safeguarding referral.

If the item confiscated was for the purpose of bravado or perceived self-protection, school will make referrals to appropriate support agencies and establish internal school interventions and support.

Swinderby All Saints Primary School will always consider a multiagency approach to addressing wider needs including completing an Early Help Assessment with the family.

We will, where appropriate, make referrals to appropriate external support agencies.

Before any decision to permanently exclude a student, the Headteacher will:

- Thoroughly investigate the incident and take witness statements etc.
- Refer to the school behaviour policy and others policies as necessary
- Enable the student to make their own statement regarding the incident
- Consult with the LA pupil inclusion team
